

**We look forward to seeing you at our Symposium on  
January 29-31, 2012 being held @  
Disney's Coronado Resort, Orlando, Florida**

*Please complete the following form and email it to **staboada@dtiatlanta.com** or fax it to **866-263-7692**. You will receive an invoice from DTI along with payment instructions. Remember, **seats are not secure until payment has been made.***

*DTI is purposefully keeping enrollment size small in order to ensure attendees benefit from the educational experience. We will be reviewing new material concerning Canadian Certificate Holders and what Transport Canada is expecting of you, along with what the FAA is developing..*

Recommended attendees are anyone involved with Civil Aviation Policy and Procedures, including Inspectors, Management and Front Line Associates. Why? All SMS/QA systems have the same basic components, as such, this program will be the true Genesis of your system.
